***TEAMS:** When setting up STEM Wizard account, enter all information for each team member. One account per project. Each student must login separately to complete the "Additional Information", "Consent and Conduct Agreement", and "Registration Fee" Milestones. When uploading ISEF Forms, first student must login and upload required forms and files, including (1), (1A), (1B), and Consent/Release Form. Second or third student must then login and upload Form (1B).

ADDITIONAL INFORMATION

Are you a past State Science Day Participant?

County of your school district?

County your home is in?

Did you build a prototype as part of your project? (definition provided)

Is your project a Meta-analysis research project? (definition provided)

FILES & FORMS

Required ISEF forms – all projects: (1) (1A) (1B – one per student) and other forms as indicated by rules & previous SRC Review.

Complete the project survey questions to determine forms needed.

To upload each respective form, click on: “Upload Your File” (light orange box)

Select box for each form you are uploading. Click “Upload File” (blue box)

Click “Browse” Find & select correct file from your computer. Click “Upload” (blue)

May take several seconds for page to refresh after each upload.

Repeat for each file.

Can use the Form Uploader app on your phone or mobile device
